

# WACL Talent AWARDS

---

# Your Learning Journey

## Reflect on what learning is right for you

Take some time to think about the below including what benefits you will gain beyond the learning content i.e., a network or a community, support, a place to exchange ideas

1. What learning will help you become the best you can be?
2. How do you like to learn?
3. Which learning opportunities spark energy and excitement for you?
4. What learning will stretch you in new ways, in different directions?
5. How will you share your learning with others?
